We all know how stressful selling a house can be. The emotional rollercoaster of the almost offers, and the insulting offers, the complicated legalities and the complicated chains. And it can be protracted. And let's be frank, luck almost always plays a part. But let's be equally frank, the Cambridge market is a buoyant one and your agent has a significant role to play. And they can play this like a Hollywood actor or indeed a Hollyoaks actor. We like to think we are up there with Colin Farrell (insert actor of your choice).

Cooke, Curtis & Co. are an award winning Cambridge Estate and Lettings Agent. We are run with integrity and pride, on traditional principles, but with creative thinking and the experience to do things better. We are small enough that we are able to care for each client personally, but large enough to provide exceptional marketing that achieves the best possible price in the least possible time for both sales and lettings.
