# Schoolreaders

improving literacy • increasing life chances

1 in 4 children leave primary school unable to read well. This means they cannot fully access their secondary education

## Can you help change their story?

Schoolreaders is looking for volunteers in your community to listen to children read in primary schools. No qualifications are required, just a love of reading, some spare time each week in term time and a willingness to go where children need you the most.

To apply, please visit [Schoolreaders.org](https://www.schoolreaders.org)
